

RE: Docket 04-233

Please, register my concern and complaint re the use by Sinclair of our public airwaves to air the program, "Stolen Honor" . This presentation, especially at this critical moment in pre-election media represents a dangerous precedent for one-sided reporting. There has been no mention of a presentation showing the other side of this issue, or to conter the lies and distortion of facts. I request a through investigation of Sinclair's license. Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
